Career Prospects in Tourism & Hotel Industry

Tourism & hotel industry is considered the most sophisticated, highest revenue earning & biggest employment generating sector in the world.

The rapidly expanding industry of the world has the extreme shortage of manpower. The Middle East requires 15,00,000 hospitality graduates in next 10 years, the Bangladeshi owners owned 12,000 restaurants in UK require 30,000 staff and also the local industry will require thousands of Managers in the next 5 years.
